

Dr NGIAM Kee Yuan

MBBS (London), MRCS (Glasgow), Mmed (Surgery), FRCS (Edinburgh)

Assistant Professor Ngiam Kee Yuan
Group Chief Technology Officer, National University Health System
Deputy Chief Medical Informatics Officer, National University Hospital

Assistant Professor Ngiam Kee Yuan is the Group Chief Technology Officer of the National University Health System (NUHS) Singapore overseeing technology deployment in the Western Healthcare Cluster of Singapore. In this role he assists the Chief Executive to implement new technologies throughout NUHS and serves as the Chief Advisor to the Centre for Innovation in Healthcare in NUHS.

Prof Ngiam is concurrently the Deputy Chief Medical Informatics Officer at the National University Hospital of Singapore with a special focus on artificial intelligence research and implementation in healthcare. In his capacity as Assistant Professor, Department of Surgery, Yong Loo Lin School of Medicine NUS, he engages in research into endocrine and metabolic surgery as well as artificial intelligence applications in healthcare.

He promotes interdisciplinary collaboration throughout the NUS campus, particularly between the schools of medicine, engineering and computer science for various healthcare applications. He was awarded the ExxonMobil-NUS Research Fellowship for Clinicians and numerous teaching awards for his work in research and education.
